(Keeping our Members, Guests, and Employees healthy has been of utmost importance to us during the last few months of learning about Covid-19. Safety will continue to be our primary goal as we move forward, and this Tournament will be managed with that clearly in mind. The number of players has been limited to comply with social distancing rules, tee times will be spaced accordingly to discourage crowding, and many other safety measures will be in place around the course. Should we receive further instructions from the State that prohibit us from carrying this event on, we will cancel and happily refund your entry fees.)
