Dear Jason,

I am pleased to be releasing the current course ratings for Gearhart Golf Links. Enclosed you will find your new Certificate for Men's and Women's ratings, Slope Charts (handicap conversion charts). I have included the Course Rating Stroke Allocation for your information. Currently you are using the "Override" allocation. Let me know if you would like to change the allocation at any time in the future.

The updated Course Rating includes updated yardages, areas of the course updated for 2019 Rules of Golf, updates to greens, loss of trees, addition of tall grass and more. Also included are changes due to maturation of the course and general maintenance updates as well as modernization of the methods and formulas of the USGA Course Rating System
