Points are awarded each day as follows:

Total number of players will determine how many points are up for grabs per day. Eg. If 16 Players play: 1st Gross = 16 Points, 1st Net = 15 Points, 2nd Gross = 14 Points, 2nd Net = 13 Points, etc. Champion at the end of the year will be immortalized on the Travelling Cup, and cash prize money will be awarded to the Top 5 finishers.

PLAYERS MUST SIGN UP and PAY WITH CASH AT LEAST 2 WEEKS IN ADVANCE.

\$5 is collected in addition to the Green Fee. This will build the Travelling Cup Pot. The Green Fee money and Pot money stays in the GGL Pro Shop. GGL Pro Shop will confirm number of players 2 weeks in advance, call the host Pro Shop, and send the cash with one of the participants. The highest ranking club official, or alternate, making each trip will be in charge of bringing back a receipt, as well as the scorecards with Gross and Net scores for each player.
